THE EAGLE

*Published By
The Annual Staff
Of
Pleasanton
High School*

The days of this past year are filled with memories both happy and sad. Some we remember better than others, such as the Bi-district crown we finally won, the Inaugural Parade in Austin, the Junior-Senior Banquet, the thrill of being a Senior, and the thankful feeling of the diploma in hand on May 27!

To help you remember these experiences, we of the Eagle Staff present to you the 1963 Eagle.

Jim Sutton

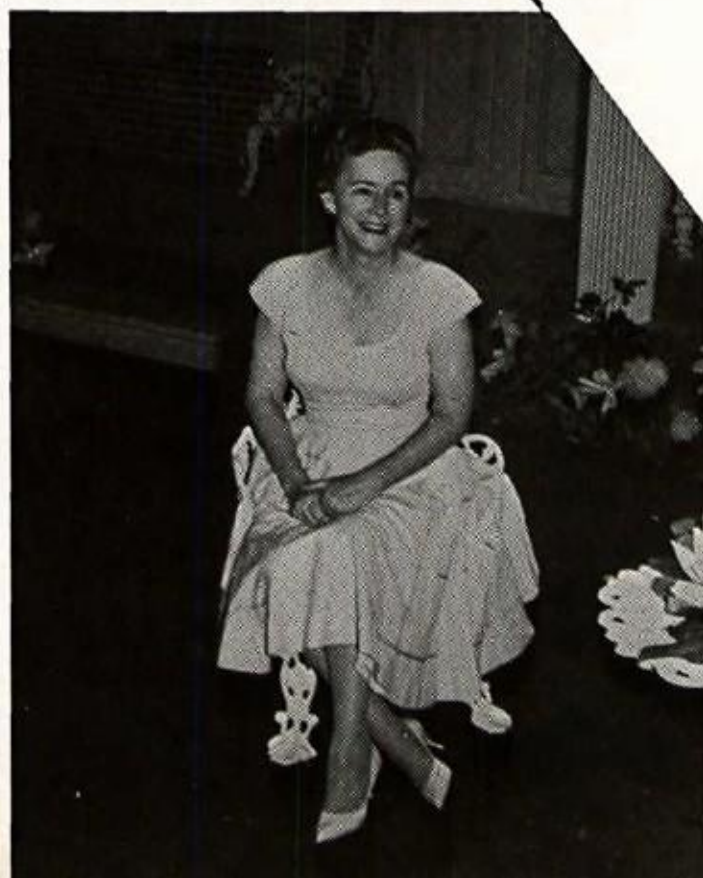

Dedication

The 1963 Eagle is dedicated to a woman who has spent the past sixteen years of her life helping the students of Pleasanton High School. Though she is primarily a teacher of girls, Mrs. Margaret Freiburger's influence extends to the boys in high school also.

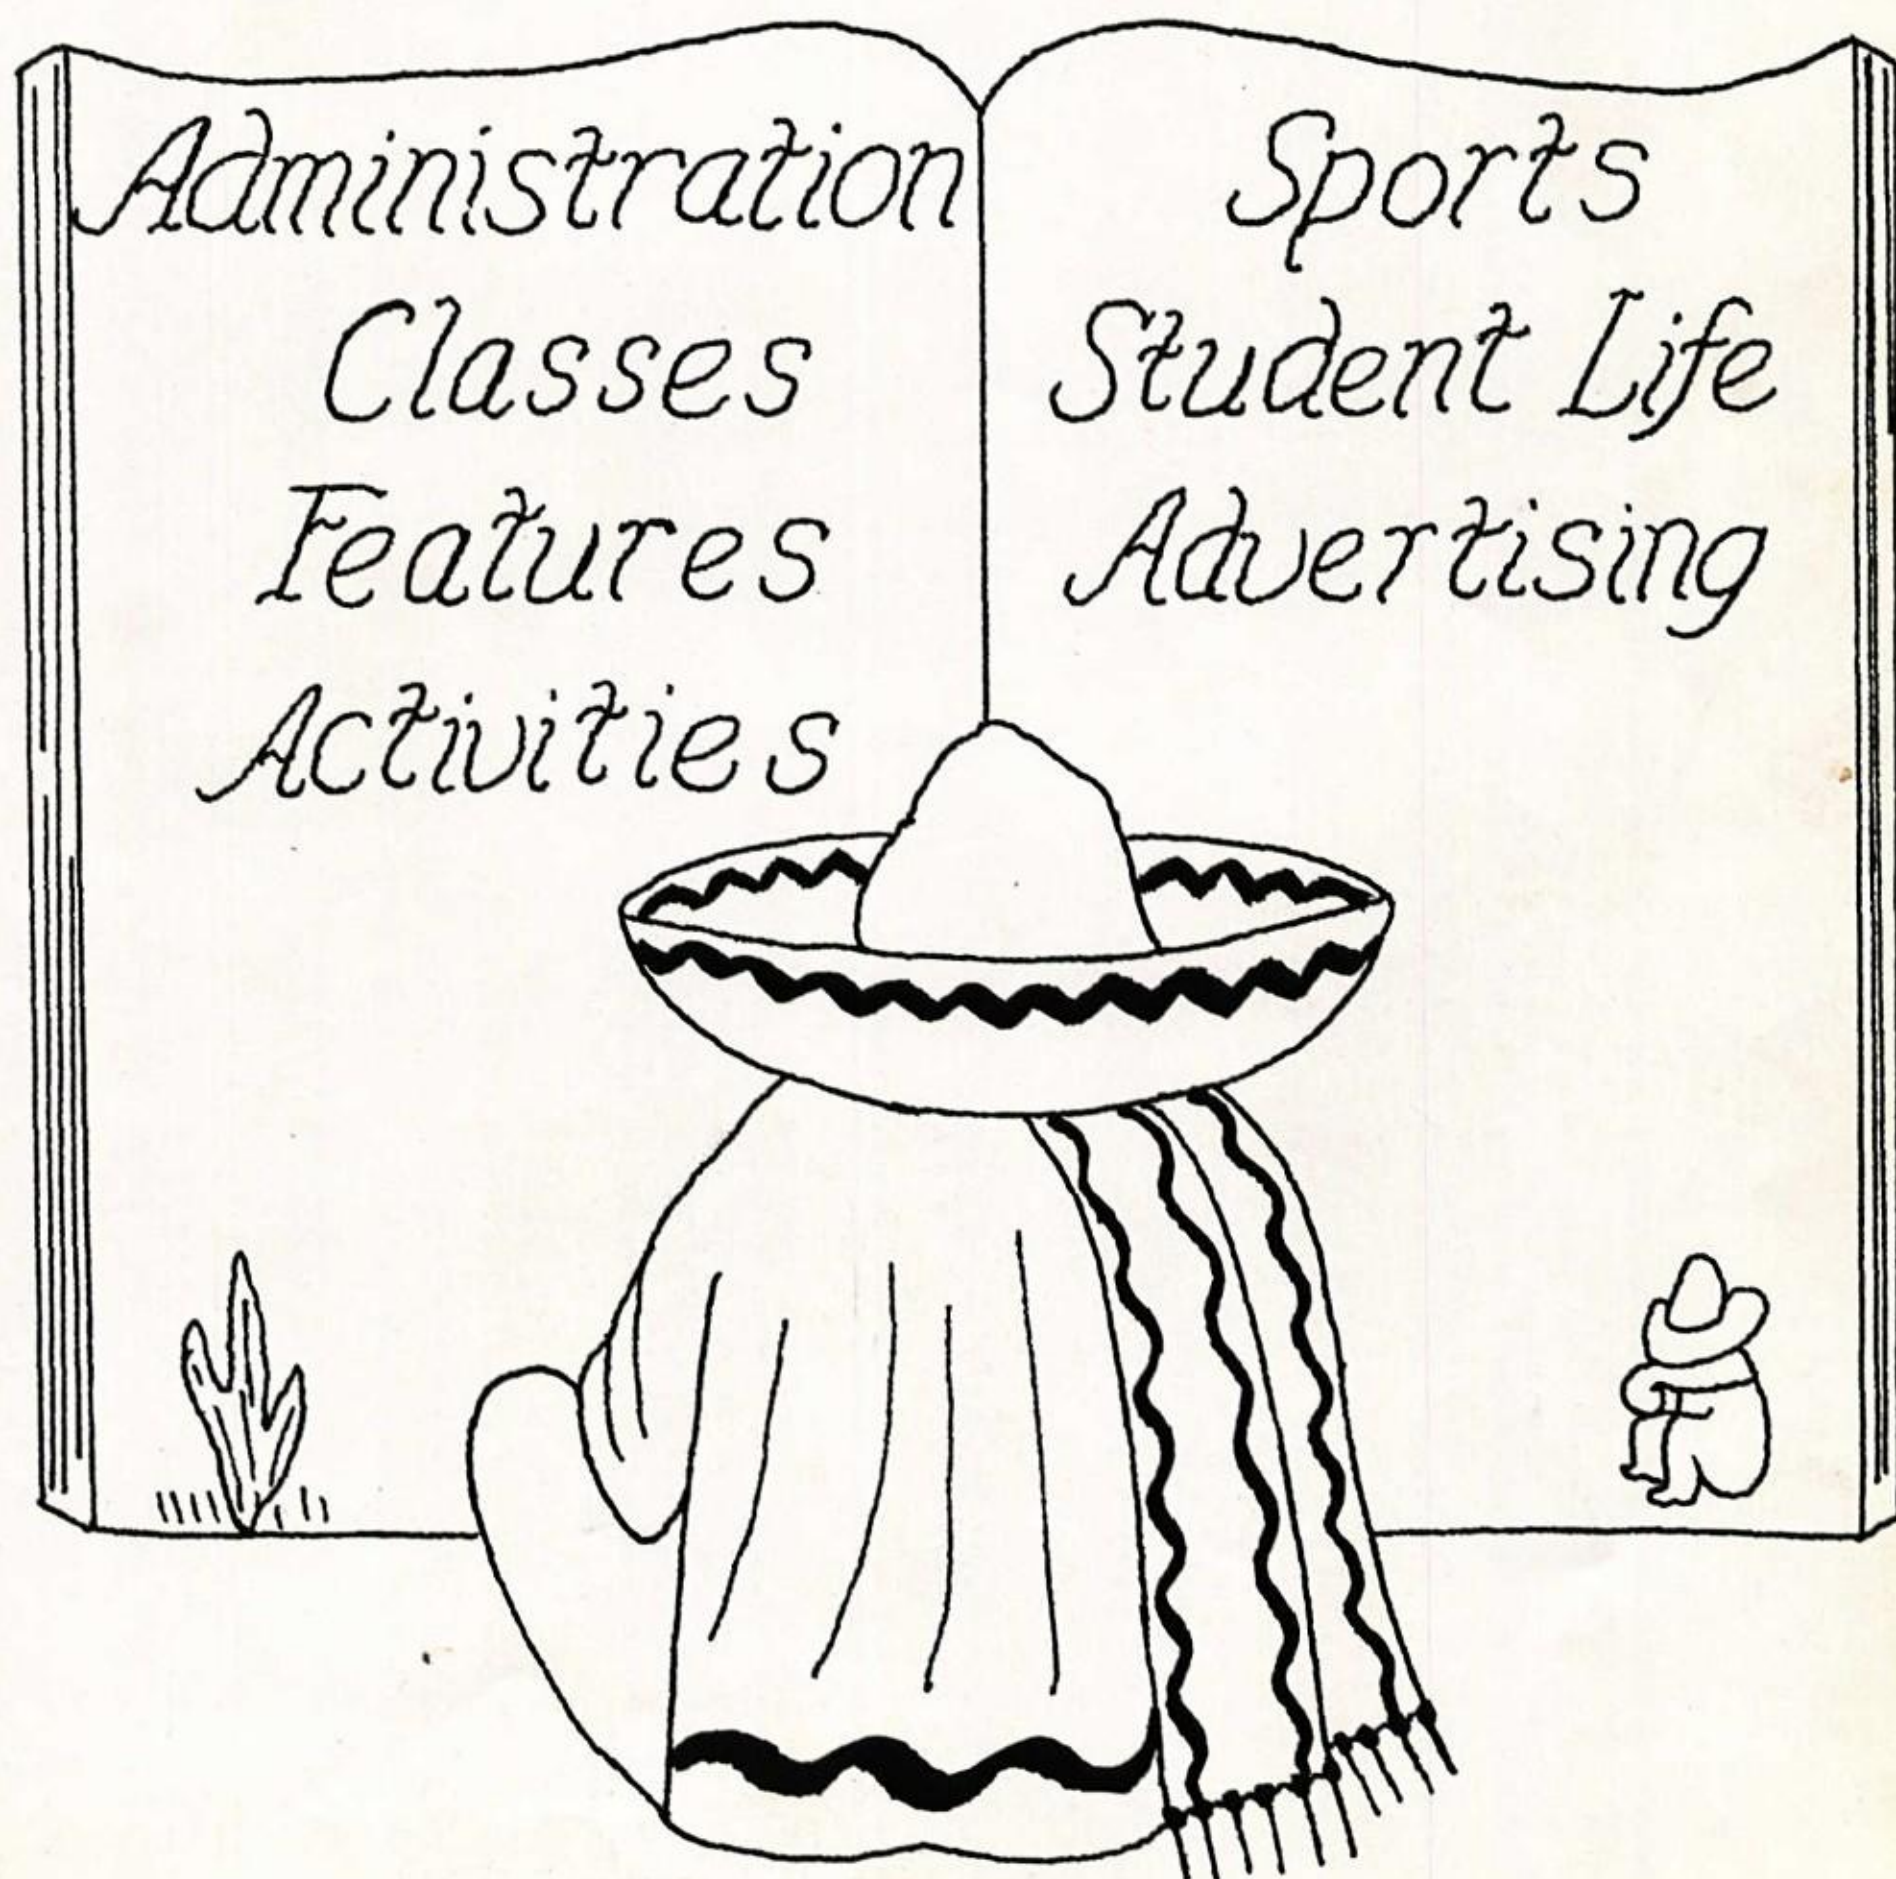

Mrs. Freiburger gives valuable aid to all who come in contact with her, whether it be through her class sponsorships, instruction, or everyday contacts. She helps to develop the physical as well as emotional skills of all girls in her classes.

Mrs. Freiburger will always remain in the memories of each of us as a loyal friend, advisor, and helper. We of the Eagle staff salute Mrs. Margaret Freiburger and say "Good Luck" to her in the future.

Alma Mater

My Alma Mater, I sing to you,

Help that you gave me,

Thoughts both good and true,

Things that are better,

You helped me to find;

So I salute you,

Alma Mater mine.

Seniors:

We are quite proud of the Annual for 1963. The staff is to be commended for its hard work in making this Annual possible. A record of this matter becomes mine to hold with you. I am sure it will be treasured by all.

We offer congratulations to the Seniors. May each of you be successful in whatever you may undertake. You will now become an ex-student. Always be loyal to your Alma Mater and support its activities and progress.

A special "Thank you" is given to Mrs. Ann Peck, for her many years of loyal service to the school and as annual sponsor. Best of luck to all for the coming year.

J. Henry Perry

Seniors:

Many opportunities await each of you upon graduation from Pleasanton High School. "Luck" is taking advantage of opportunities as they present themselves to you. How well you take advantage of them will depend, to a great extent, upon how successfully you have prepared yourself to meet the many obstacles that may lie ahead in your life.

To each graduating senior, may I wish you good luck, much success, and happiness. To all undergraduate students, may I suggest that you think very seriously about your own future and establish a set of criteria for success and follow them closely.

In closing, may I say that this has been a wonderful year. I wish the best of everything to each and everyone of you.

THANKS

TO

OUR ADVERTISERS

FROM

THE EAGLE STAFF

Tina,

I hope that all the things in life that are good will come to you. Many things you will have to go after, and if you want them bad enough, they will be yours. Always remember a few basic facts about life and people, and things will never seem too complicated.

I love you,

Freddie

Tina,
You're one of my
